Deli service refrigerated case

Matches Henny Penny HMR profiles

- MODEL **HMR3** 3 well
HMR4 4 well
HMR5 5 well
HMR6 6 well
HMR7 7 well

Tempered front and end glass provides 100 percent product visibility and matches four different Henny Penny glass profiles. Front glass lifts and closes easily, giving employees comfortable access for loading and cleaning.

The Refcon refrigerated HMR is available in five standard lengths, corresponding with the Henny Penny HMR product line. (See separate data sheet.) Units can be ordered for remote refrigeration or with self-contained condensing units.

Refcon full-service refrigerated cases are built from tough, easy-to-clean stainless steel and tempered glass. They can be supplied individually or integrated into a custom deli or cafeteria case line that includes a variety of heated, refrigerated, dry and self-service cases, along with custom bases and millwork to match your interior design.

Matching HMR service refrigerated deli case Model HMR shown with curved glass profile on base unit by Henny Penny.

General Information

Refcon offers this refrigerated deli service case in a sleek contemporary design that matches Henny Penny HMR hot case profiles.

The HMR series extends the flexibility and performance of Henny Penny heated merchandisers with the perfect matching system from Refcon for displaying and serving cold deli foods.
