# Deli low profile hot food case

MODEL LLLGHD

Low profile deli hot food service case  
Model LLLGHD

### General Information

Refcon low profile hot food deli cases let you display delicious hot entrees, sides and appetizers in a sleek Euro design that matches Refcon's refrigerated service and self-service deli cases.

The tempered curved front glass lifts and closes easily, giving employees comfortable access for loading and unloading.

Refcon low profile deli cases are designed for maximum product presentation value and built from tough, easy-to-clean laminates and stainless steel.

A deep, oversized stainless steel heated dry well is standard, with multiple individually-heated wells available as an option. Overhead radiant heat provides a warm, appetizing look as well as helping to keep foods at safe, palatable temperatures.

A wide choice of options help you customize your Refcon cases, including Lexan® or mirror ends and contemporary lower front decorative lighting. Cases can also be designed for a continuous case line up.

### Standard Features

- Tempered curved glass.
- Stainless steel deck.
- Lexan® ends
- One oversized stainless steel common dry well with infinite adjustment temperature control.
- Exterior standard grade plastic laminate (matte finish).
- Lexan® rear sliding doors.
- Overhead radiant heat.
- Separate ON/OFF switch for lighting.

### Options

- One-way mirror ends
- Solid mirror ends
- Multiple hot dry wells with individual controls
- Scale platform
- Front cart bumper
- Rear flip-up cutting board
- Lower front decorative lighting
- Continuous case line up
- GFI convenience outlet 15A (to J box)
- 1-year labor warranty

Continuing product improvement may subject specifications to change without notice.
