Deli heated multi-deck self-service case

Five-level

MODEL SPREHD-5

Deli heated multi-deck self-service case
Model SPREHD-5

General Information

Refcon heated multi-deck deli cases let you display delicious prepackaged hot items for grab-and-go convenience practically anywhere in the store.

These beautifully made heated cases also give you flexibility. Different case lengths as well as three different case heights let you choose the capacity *and* the footprint you want.

The Refcon SPREHD-5 model features four lighted shelves plus a bottom deck for a total of five display levels. Refcon multi-deck cases are designed for maximum product presentation value and built from long-lasting easy-to-clean stainless steel.

Several options are available that can give your Refcon multi-deck cases a distinctive look.

Standard Features

- Stainless steel interior and exterior.
- Four lighted, heated stainless steel shelves.
- Stainless steel bottom deck.
- Heated shelves and deck provide even heating from above and below to keep product at safe palatable temperatures.
- Separate infinite controllers adjust temperature for each shelf.
- Separate ON/OFF switch for lighting.
- Shatter-resistant incandescent lights.

- Digital temperature display.
- All controls rear-mounted.

NOTE: Junction box electrical connection.

Options

- Rear Lexan® loading door
- Front bumper
- Front mounted controls
- Power cord and plug (6')
- 3 phase electric (contact Refcon)
- 1-year labor warranty

Continuing product improvement may subject specifications to change without notice.
