Air screen back wall case

MODEL **SWINA**

Backwall airscreen case Model SWINA with custom base and countertop.

General Information

Air screen back wall refrigerated cases offer space-saving back-wall design with extra dry storage and convenient customer counter space. Perfect for displaying self-serve cold beverages, fresh fruit and chilled prepackaged items, all without customer-side doors.

Air curtain technology allows better visibility, easy selection and loading, and eliminates maintenance problems with worn-out or ill-fitting doors.

Refcon air screen cases are attractive, quiet, and built from tough, easy-to-clean stainless steel and laminates. Standard 3500K interior lighting offers a bright, attention-getting display. Electronic temperature and defrost control and digital temperature display for energy efficient operation.

Available with self-contained or remote refrigeration. Leveling legs are standard. Choose from 4 lengths up to 12 ft (3.7m).

See below for available options, including rear loading doors, additional air flow patterns, and a choice of security door designs.

Standard Features

- Stainless steel interior
- Mirror ends.
- (3) adjustable lighted 12 in. (30 cm) shelves.
- Standard grade plastic laminate exterior (matte finish).
- 3500K fluorescent tube lights.
- Condensate evaporator (self-contained units).
- Digital temperature display.
- Electronic temperature and defrost control (self-contained units).
- Dry bottom storage.
