Bakery/pastry wall case

MODEL **SWINBD**

Bakery pastry wall case Model SWINBD

General Information

Refcon Bakery pastry wall cases offer outstanding self-service display opportunities for bakery retailers. The SWINBD models are for dry environments and are available in two, three or four door units up to 6 feet in length.

The Refcon look gives you all the display volume you need in a contemporary case design that combines esthetics with the functionality.

The self-service case makes it fast and convenient for customers to select their favorite pastries and be on their way. The wall case design helps you increase sales without taking up valuable counter and aisle floor space.

Refcon Pastry Wall Cases are attractive and built from tough, easy-to-clean laminates and tempered glass. Standard 3500K interior lighting offers a bright, attention-getting display.

Laminate bag and tissue ledge for customer convenience is standard.

Many options are available, including rear mirror loading doors, glass ends or custom powder painted interior.

Standard Features

- 3/16 in. tempered glass self-closing doors.
- Mirror ends.
- (4) Adjustable chrome shelf brackets with Lexan[®] crumb trays.
- 3500K fluorescent tube lights.
- White plastic laminate interior.
- Solid back and ends.
- Standard grade plastic laminate exterior (matte finish).
- Bag and tissue ledge.

Options

- Glass ends
- Black powder painted interior
- White powder painted interior
- Custom powder painted interior
- Front cart bumper
- One-way mirrored rear loading door
- LED lighting
- Power cord and plug
- 4 chrome wire shelves with lights.

Designed to operate in air conditioned space maintained at 75°F (24°C) and 55% relative humidity. Continuing product improvement may subject specifications to change without notice.
